## **A Brief Profile**

## About Kratin Group

**And now in 2023,** Kratin Solutions Pvt. Ltd.

**begins its work from the Mining Hub of Rajasthan, Lake City Udaipur**

to serve Mining & Allied Industries in North-Western India.

### About Kratin Solutions Pvt. Ltd.

Realizing the future growth and expected challenges to Indian Mining Industry, in 2008, Kratin group, under the leadership of Sri S. N. Katiyar, Ex. Director (Technical) BCCL (a subsidiary of Coal India Ltd) ventured into Mining Sector. Sri. S. N. Katiyar has more than **54 years** of experience in the Indian Mining Industry.

Kratin has a well-established infrastructure with all reasonable facilities for training, coaching, conferencing, seminars, etc. at its headquarters and a team of experts with vast know-how and experience in the Indian Mining industry spanning multiple disciplines (Mining, Electrical, Mechanical, Environment, Finance, Geology and geographies (West Bengal, Orissa, Jharkhand, Madhya Pradesh, Chhattisgarh, Maharashtra and Rajasthan). **Kratin is Registered under MSME, Govt. of Maharashtra.**

Since 2008, Kratin has been actively involved in providing solutions in the area of Planning, Operation, Environment, Health & Safety, and Training to the Indian mining industry; and Coaching for the exams being conducted by Board of Mining Examinations (DGMS).

***Kratin has started a unit at Udaipur from 2023 to serve North-Western part of India (Rajasthan, Gujrat, Haryana, Himachal Pradesh, and Uttar Pradesh).***

### Services Offered

**Kratin offers** multifarious services to the Mining Industry, right from skill development to mine planning, reorganization, and management of mining operations to improve operational efficiency.

Some of the services offered by Kratin to Coal & metalliferous mining are given below:

## Mine Planning:

- 1) Conducting Techno Economic Viability (TEV) study.
- 2) Preparation of -
  - Techno- Feasibility Study Report of coal blocks.
  - Detailed Project Report (DPR).
  - Mining Plan.

## Consultancy:

To improve the operational efficiency of the organization, Kratin undertakes system analysis of each mine operation right from planning to dispatch and suggests corrective & innovative solutions.

## Safety:

Safety Audit, Risk Assessment and preparation of Safety Management Plan for coal & Metalliferous mines as per applicable statutory provisions including DGMS Circulars, Recommendations of various Safety Conferences and Standing Committee on Safety.

## Survey:

Realizing the future growth and expected challenges to Indian Mining Industry, Kratin Solutions Pvt. Ltd. has started the services of Drone Survey in mines from July 2023.

Drone surveys in the mining industry do not only provide safer, faster, and more accurate data collection & analysis but also can enhance safety, reduce costs, and improve efficiency.

Presently, drones have become an indispensable tool for mining from the initial stage of demarcation of the block to the mine closer.

## Benefits of Drone Surveys

**Enhanced Safety:** Drones eliminate the need for human presence in hazardous areas.

**Cost and Time Efficiency:** Rapid data collection & analysis, accelerates decision-making and reduces operational costs.

**Improved Accuracy:** High-resolution imagery and sensors provide precise mapping and monitoring capabilities.

## Application of Drone Surveys in Mining:

Drone surveys in mines can serve various objectives depending on the specific needs and requirements of the mining operation.

Mapping and topographic surveys:

Mine Planning:

Stockpile measurement:

Safety inspections:

Surveying inaccessible areas:

Environmental monitoring:

Security and surveillance:

### Deliverables We Provide

1. Ortho- mosaic image.
2. Mine boundary and features demarcation.
3. Point cloud and 3D model.
4. Digital Surface model (DSM)
5. Digital Terrain Model (DTM).
6. Topographical plan with contours
7. Volumetric Analysis (Stockpile)
8. Detailed report.

### Training:

Training and orientation courses for –

- Skill Development of Executives/ Supervisors/ Workmen including persons employed on statutory positions e.g., Safety Officers; VT Officers, VT Trainers; Safety Committee members etc.
